Applicant's undersigned new counsel responded to the Notice to File Missing Parts on May 1, 2002 (including a four month extension of time) after realizing that a response to the Notice to File Missing Parts of Non-Provisional Application was due on January 1, 2002. In that response, Applicant filed the executed Declaration and Power of Attorney along with the informal drawings submitted in the original application. At that time, Applicant had no choice but to submit informal drawings considering that the draftsman could not provide the formal drawings at such short notice.

At that time, Applicant proceeded with preparing and filing of a response to the outstanding Notice to File Missing Parts to avoid abandonment of application. (A copy of our response dated May 1, 2002 is enclosed as Exhibit "A"). In that response, we submitted the executed Declaration and Power of Attorney and informal drawings.

On June 17, 2002, we received a fax Notice of Incomplete Reply (Non-Provisional) from Irell & Manella LLP (prior counsel) in this application. (A copy of which is enclosed as Exhibit "B".)

The drawings have now been placed in compliance with 37 CFR 1.84.

Thirty sheets of formal drawings are herewith submitted.

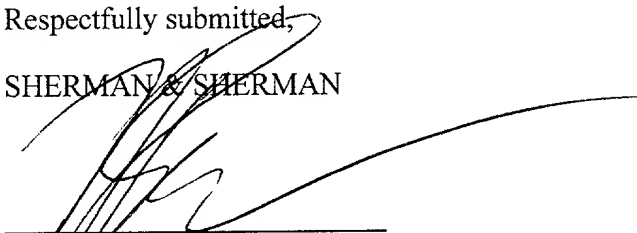

A check in the amount of \$130.00 is enclosed to cover the fee under 37 CFR 1.17(h).
